Parents, have you heard of YMCA Corporate Membership?

Corporate Membership is a YMCA Membership connected to your place of work (for those who qualify). Corporate membership gives you a waived Join Fee when you begin your membership, as well as a 10% discount on monthly membership fees (15% if your business/place of work has enough participants doing Corporate Memberships.) Payments for your membership either are taken directly from your **PAYCHECK (for Corporates that offer this)**, or by receiving the **discount in-house** at the Warren County YMCA and setting up Monthly, Quarterly, Semi-Annual, or Annual Membership Payments. **(Monthly payments must be set to automatically be withdrawn monthly via a Credit/Debit Card or Bank Account.)**

How does this affect my child doing Youth Sports at the Warren County YMCA?

If you currently have or open a New **FAMILY or SINGLE PARENT** Corporate Membership with the **Warren County YMCA**, your child(ren), who are also active on the account, will be eligible to be signed up for Warren County Youth Sports...**FOR FREE! *THIS DOES NOT INCLUDE YOUTH SWIM LESSONS, GYMNASTICS, AFTER SCHOOL PROGRAM, or DAYCAMP.** Your Child(ren) **MUST** live in the same household as the membership holder.
