

## MEMO

**TO: Warren County YMCA Members**  
**FR: Emily Brooks, Membership Director**  
**RE: Locker Room Renovations**

**Date: November 1, 2023**

---

**Dear YMCA Members:**

### **Locker Room Renovation Time Frame**

Starting Monday, December 4, 2023, the YMCA is going to embark on a significant renovation for both Men's and Women's Locker Rooms. Because of the renovations, both locker rooms will be closed from December 4, 2023 – December 31, 2023.

### **Locker Room Changes**

In both the Women's and Men's locker rooms, all half lockers will be removed from the "center" of each locker room. After the half locker are removed, we will build private individual changing rooms that have doors that latch, no seems for visibility, and that are almost floor to ceiling. Each changing room will have a full-length mirror, a small bench, small shelf, and hooks for your bags.

We will also be modifying the shower area in each locker room. We are going to make each shower stall larger so there will be a shower area and drying area within each stall. Each stall will be individual and private with doors that latch, no seems for visibility, and almost floor to ceiling. Each shower stall will have a small shelf, hooks, and a small bench.

Another upgrade will be the toilet partitions in each locker room. The new partitions will be private with doors that latch, no seems for visibility, and almost floor to ceiling.

Finally, we will install new ceiling tiles, lighting for the changing rooms, and other small upgrades.

### **Why the Upgrade?**

At the Warren County YMCA, the safety and well-being of children in our care has always been and always will be our top priority. We are committed to providing a safe, comfortable and unintimidating environment for every YMCA member of every age but, most importantly, the children who are entrusted to our care.

### **Be on the Lookout**

Be on the lookout in a few weeks about some policy changes that will follow the renovations.

Thank you for being patient and understanding while the Y makes improvements! We hope you have a blessed holiday season!!
