OFF THE WALL FUN!

INDOOR SOCCER CLINIC WINTER 2024: 2ND-3RD GRADE

Clinic/Scrimmages Begin: Saturday, January 6th

Registration Open: December 6th-January 6th

\$15 Late Fee after January 6th

We are taking youth soccer indoors! Indoor soccer is a fast-paced sport that uses the walls to give soccer a new look. Skills learned in this league will include passing, dribbling, and shooting. Each week, skills will be taught in a clinic/practice style format. Following this, players will be placed on teams each week and will scrimmage with each other, putting their skills to the test!

Players WILL need Tennis Shoes/Indoor Soccer Shoes and Shin Guards.

CLINIC DATES & TIMES

Clinic Dates: Saturday Afternoons (January 6th, 13th, 27th, February 3rd & 10th) - **No Clinic:** January 20th

Clinic Times: The 2nd-3rd Grade Group will meet from 4:00pm-5:20pm

Teams/Scrimmages: Players will be placed randomly on teams each week so they can work with new team mates each week. Placing will be similar to normal outdoor team practices in the Spring & Summer Outdoor Soccer Seasons. There will not be season long teams like in the outdoor leagues.

Clinic Location:: Warren County YMCA Gymnasium

*Parents, please note that our gym does not have a lot of space for soccer to be viewed inside the gym without the risk of injury as the ball can be played off walls. Parents who are not helping will be asked to sit in the YMCA Lobby. Parents can watch from the window in the lobby. If your child is on a break, please let other parents watch their kids.
