GROUP FITNESS CLASS DESCRIPTIONS:

BARRE ABOVE®: A workout that fuses Yoga, Pilates, Strength Training, and Ballet. This pattern of exercise helps to improve strength, balance, flexibility and posture. **Instructor - Carey**

CHAIR BASED FITNESS: Designed to increase muscle strength, range of movement and improve activities for daily living. A chair is used for seated exercises and standing support and class can be modified depending on fitness levels. **Instructor - Carey**

H.I.I.T. (HIGH INTENSITY INTERVAL TRAINING): This type of training involves repeated bouts of high intensity effort followed by varied recovery times. **Instructor - John**

INSTRUCTOR CHOICE: This class is the best of all classes. Each week the instructor will mix it up and pick a workout from different styles like Step, HIIT, Y Pump, Cardio Boxing and much more. **Instructor - Staci & Morgan**

MORNING STRETCH: A great way to start your day. This class is designed to do a full body stretch to get your body loose and ready to move. **Instructor - Carey**

NOON BLITZ: In this full body workout, we will target all muscle groups along with your cardiovascular system. This is the perfect mid-day, lunch break class for those who struggle to find time to workout. **Instructor - Rotating**

POUND®: This exhilarating full-body workout combines cardio, conditioning, and strength training with yoga and pilates inspired movements. Using Ripstix®, lightly weighted drumsticks for exercising. POUND® transforms drumming into an incredibly effective way of working out. **Instructor - Kim**

ROCK STEADY BOXING (Parkinson's Class): By exercising with coaches who know the ropes, you can fight your way out of the corner and start to feel and function better. Boxing works by moving your body in all planes of motion while continuously changing the routine as you progress through the workout. These classes have proven that anyone, at any level of Parkinson's, can actually lessen their symptoms and lead a healthier/happier life. **Instructor - Jim, Roger**

SENIOR BOXING: In this class designed for ages over 55, you will move through stances, jabs, punches and blocks. The aerobic part of boxing does double the work by helping to keep you mentally and physically fit. **Instructor - Jim**

Y-PUMP: Add this workout to your day! This class will build muscle, endurance and challenge your cardiovascular system, along with strength training for total body conditioning. **Instructor - Staci, John**

YOGA FLOW: This combo class brings the best of BEACHBODY PiYo Flow® and incorporates simple, basic, Hatha Yoga done in a vinyasa style. It is perfect for anyone looking to improve flexibility and strength. Great for all fitness levels. **Instructor - Staci**

ZUMBA®: Add a little sizzle to your week by combining high energy and motivating Latin music with unique moves and combinations. **Instructor - Staci & Michelle**
