FAQ's**

Q: Can I buy a season pass and how much are they?

A: Yes.

Y Member - \$120 primary and \$40 each add on (must live in same household)

Non-Member - \$170 primary and \$50 each add on (must live in same household)

In other words, only those who live in the SAME household may be on the primary season pass holder's account. You CANNOT add people to your pass if they DO NOT live in your household.

Q: Do you offer a Punch Card for purchase?

A: Yes. You can purchase a punch card for use. You can get one card with 15 punches (uses) for \$65. You may purchase multiple punch cards throughout the swim season.

A: Punch cards are per usage. If you bring a guest or guests and want them to get in the pool on one of your punches that's fine, however, for each guest a punch is required. In other words, if you bring 2 guests to put on your punch card then your card will get punched 3 times that day (you, guest #1, guest #2).

Q: How much is the daily fee?

A: The daily rate is \$5.00 per person ages 3 and up and \$3 per person for ages 3 and under

Q: Can I use my debit card to pay for entry and/or concessions?

A: Yes, we accept debit/credit card and cash for daily fees and concessions. No cash app or tap to pay, at this time.

Q: Will there be a concession stand?

A: Yes. We will have a fully stocked concession stand that will offer hot food, snacks, candy, ice cream, and drinks.

Q: Can I bring my own food and drinks into the pool?

A: No. Any food and/or drink consumed inside the pool area must be purchased at the concession stand. This includes water and water bottles. In order to stay open, the Y needs to generate revenue to pay for the expenses...the concession stand is a big part of the revenue stream.

Q: Can I bring my own chair to sit in?

A: No. We will have at least 50 deck chairs for public use. Unfortunately, we won't be able to accommodate each person. If we get too many chairs on the deck, it becomes unsafe in the event of an emergency

Q: Will there be locker rooms to change in?

A: Yes. We will have a boys and girls locker room. We will also have a Family Changing Area as well.

Q: At what age can I send my child to the pool without adult supervision?

A: Children 10 years old and older are permitted to be at the pool without adult supervision.

Q: Can I drop my child(ren) off at the pool when it opens and let them stay all day?

A: Yes. However, the pool is not a babysitting service. If your child(ren) act up and consistently break the rules, they will be removed from the facility for the day or longer and parents or guardians must come and pick up.

Q: Can I bring a flotation device for my kids?

A: Yes. However, the device must be a Coast Guard approved flotation device. We do not allow blow up rings or water wings. This is a safety concern and a liability issue. Children using approved floatation devices still need to be closely supervised by a parent or guardian at all times.

Q: What if my child is not potty trained?

A: Your child must wear a swim diaper in the pool. If you forget one, we will have swim diapers for purchase at the concession stand. Anytime we have an 'accident' in the pool that requires the removal of bodily waste, the pool will be forced to close to all swimmers for a period of 1 – 13 hours.

Q: Can I wear gym shorts and/or T-shirts to swim in?

A: No. You must wear appropriate swim trunks or swimsuit. You may wear a swim shirt, but it CANNOT be a cotton shirt, it MUST be a wicking polyester material. Specifically, Rash Guards are the most suitable option. Cotton material breaks down easily in the treated pool water and interferes with the pool operating systems. Parents/guardians with small children who are using a flotation device must also be in proper swim attire while in the pool supervising their children.

Q: Can I leave the pool and return on the same day without paying?

A: Yes. You are allowed to sign out and return to swim that day without paying an additional entry fee.
